*Service technician in our field service*

---

**Solutions 30 Operations GmbH** is one of Unitymedia's largest service partners in the field of broadband communication. It has a workforce of over 300 in Germany's states of Baden-Württemberg and Hesse. We are a future-oriented company that is constantly growing. We offer you the chance to join us as a

### Service technician in our field service

For the **Darmstadt, Heilbronn, Tübingen, Reutlingen, Ulm** and **Stuttgart** region

#### Which tasks will await you?

- Independently installing and commissioning booster systems
- Localising faults and troubleshooting

#### What we offer you

- An intensive induction and training period in a friendly team with flat hierarchies
- State-of-the-art equipment (laptop, mobile phone and measuring instruments)
- A fully equipped customer service vehicle
- Independent work and a secure job with a long-term perspective
- Ideal advancement opportunities, thanks to a wide range of training opportunities

#### What you need to be good at

- A completed technical training, e.g. as an electronics technician for information and telecommunications technology
- An independent and conscientious way of working and the ability to solve customer-oriented problems
- A confident and customer-friendly appearance
- A readiness to gain further qualifications through our programme of further training measures
- A driving licence (class B or 3)

It would be really great if you have some professional experience as a service technician and have knowledge of the industry (broadband and telecommunications), though that's not essential if you want to work for us.

**Career changers** are welcome at any time. Your enthusiasm for communication technology and your desire to progress are the most important things for us. Now how does that sound to you?

### Apply now! We look forward to meeting you!

Please send us your complete application documents (cover letter, curriculum vitae and certificates) by e-mail, stating the earliest possible starting date and your salary expectations.
