**Skilled warehouse worker or a person specialised in warehouse logistics as an order picker**

**Solutions 30 Operations GmbH** is one of Unitymedia's largest service partners in the field of broadband communication. It has a workforce of over 300 in Germany's states of Baden-Württemberg and Hesse. We are a future-oriented company that is constantly growing. We offer you the chance to join us as a

## Skilled warehouse worker

### Which tasks will await you?

- Quantitative and qualitative checking of stock levels
- Triggering orders and returns & Receipt and inspection of goods
- Picking of materials and goods
- Continuous conducting and monitoring of inventories

### What we offer you

- A challenging field of activity with a high level of personal responsibility
- Flat hierarchies and short decision-making paths
- Continuous opportunities for training
- A pleasant working atmosphere in a modern working environment
- A secure job with a long-term perspective

### What you need to be good at

- A completed training as a specialist for warehouse logistics or comparable training or professional experience as a skilled warehouse worker
- Very good written and spoken German
- A good knowledge of Excel as a user
- An independent and conscientious way of working
- Resistance to stress, as well as flexibility in terms of time and location in order to support colleagues at other sites when needed
- A driving licence (class B or 3)

It would be really great if you have some professional experience as a service technician and have knowledge of the industry (broadband and telecommunications), though that's not essential if you want to work for us. Career changers are welcome at any time. Your enthusiasm for communication technology and your desire to progress are the most important things for us. Now how does that sound to you?

## Apply now! We look forward to meeting you!

Please send us your complete application documents (cover letter, curriculum vitae and certificates) by e-mail, stating the earliest possible starting date and your salary expectations.
